The Maxxi, designed for the luxury traveller.

Golf Caravans have forged a reputation for producing robust off-road caravans with luxury finishing and the Maxxi range of pop-tops and hard tops are no exception. Features such as heavy duty chassis construction, state-of-the-art Al-Ko suspension systems, lightweight panelling and innovative design aren't optional for the Maxxi range - they're standard inclusions. Together with the luxury appointments and high end finishes synonymous with Golf Caravans, each vehicle in the the Maxxi range delivers a stunning and unparalleled combination of durability and class.

To find extraordinary places you have to take the road less travelled and there is no other country on earth as challenging and varied in its landscapes as Australia. With pristine beaches, endless deserts, rugged mountain ranges and tropical rainforests, the modern adventurer needs a caravan built to get you there and back in style and comfort. The compact and cleverly design Maxxi's give you unprecedented access to more locations than ever before.

Inclusions

The Maxi range by name is designed to maximise space and comfort while minimising weight. Lightweight panel construction, intelligent design and rugged world class engineering to take you further than ever before without compromising on modern conveniences and luxury appointments. The Maxi by Golf Caravans effortlessly blends robust off-road performance with smooth, stylish finishing resulting in the most versatile range of recreational caravan in their class today.

The Maxi range by Golf Caravans brings together industry leading design elements and construction methods to produce a range of pop top and hard top caravans built to handle the incredibly diverse Australian conditions. Intuitive features quickly

transform these lightweight compact caravans into well appointed, generous living spaces giving you more time to enjoy the adventure. Inclusions and features

Every van in the Maxi range boasts a long list of high end inclusions such as gas/electric hot water, 3 way fridge/freezer, 4 burner cooktop, microwave, TV aerial, 12V range hood, ambient LED lighting, wind out awning, 2 x 95L fresh water tanks, alloy wheels, hot dipped heavy duty off-road chassis, air conditioning, tunnel boot for added storage and so much more.
